

The Shuk | Technical Rider

For information & questions e-mail The Shuk at info@the-shuk.com

This technical rider is part of the contract between the Artist (The Shuk) and the Presenter and therefore all equipment, backline and technical rider must be confirmed with the artist at least one week prior to event.

	The Shuk must have a sound system with subwoofer, effects, and separate monitor mixes, that is appropriate for the audience number at event/concert and the size of the venue/theater/hall.
	The Shuk can also make due with one stage monitor per musician with independent aux sends per musician, but requests lead singer to have 2 stage monitors.
	Digital console with effects and multiple AUX returns + 2 effect outputs 6 Comp + Gate Inserts

Monitor Sends

1-2	Drums
3-4	Bass Guitar
5-6	Keyboards
7-8	Electric Guitar
9-10	Lead Vocals
